

## PHOTOS AND DRAWINGS

A popular activity is to draw a face from a photograph - sometimes combining the drawing with the photograph - as below.

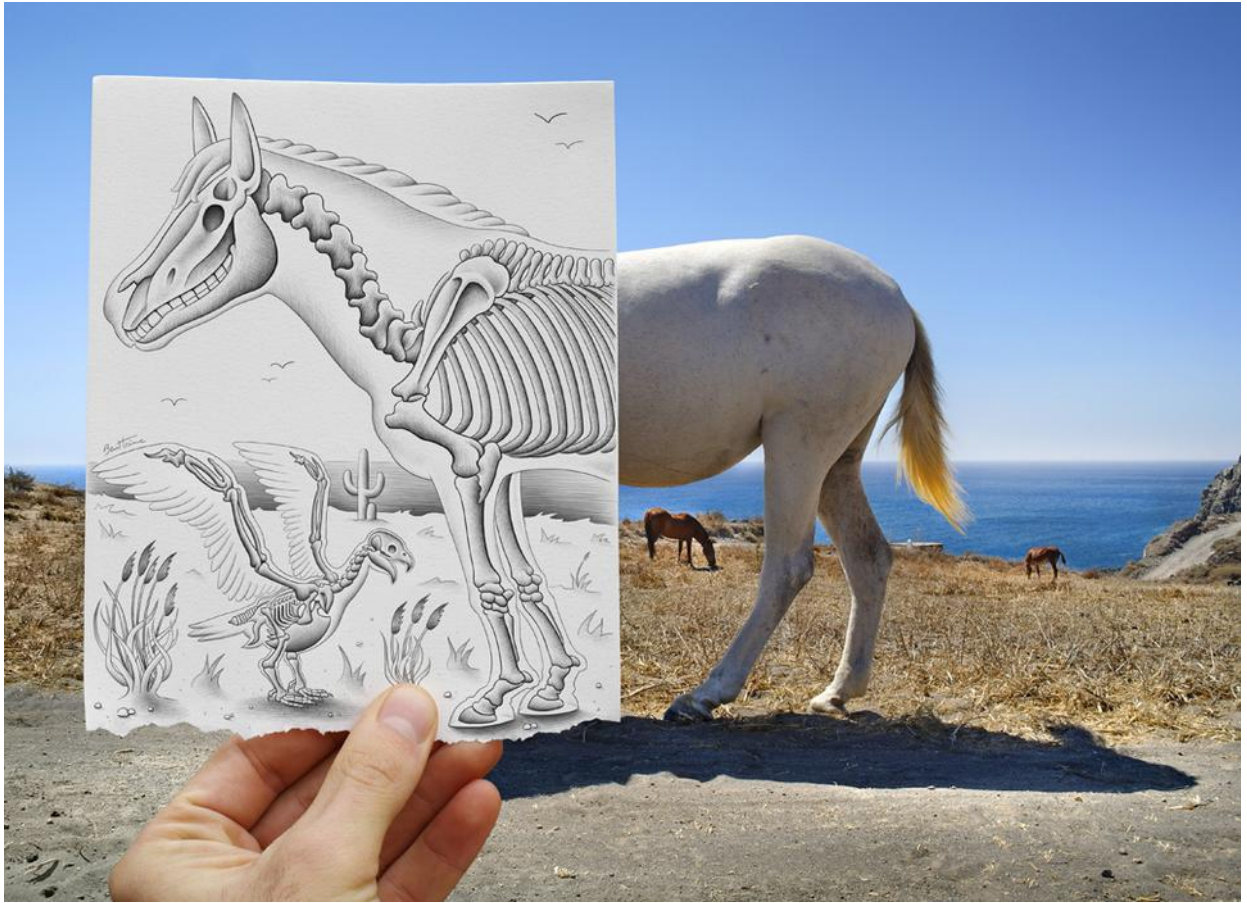

However, there are more interesting ways to combine drawings and photographs. The following images are the work of **Ben HEINE**.

[see more on his website](#) (Click **PENCIL VS CAMERA**)

Or what about this - a drawing that seems to be an actual photograph. It is a ball point pen drawing by Portuguese artist **Samuel SILVA**. See [18 Drawings You'll Swear Are Actual Photographs](#)
